EDO SULAIMAN
FULL-STACK DEVELOPER

COVER LETTER

Dear Hiring Manager,

I am writing to express my interest in the Software Engineer Front End position at DKATALIS. I am a recent graduate from the University of Putra Indonesia YPTK Padang with a degree in computer science and a passion for full-stack development.

I have experience in developing web applications using various technologies, such as Dart, Flutter, React.js. My experience working as a Full-Stack Developer since 2022, with a focus on building web experiences for clients. I have worked on projects such as a unique portfolio website, research simplifies deep learning model tuning, and an e-commerce website.

In terms of industry experience, I have worked as a freelance developer, I have experience working with different clients and projects. I am eager to learn new technologies and frameworks, and I am confident that I can contribute to the success of DKATALIS as a Software Engineer Front End. I have excellent communication and collaboration skills, and I can work well in a team or independently.

Thank you for your consideration.

All the best,
Edo Sulaiman
